The American College of Clinical Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Instructions to claim continue education (C.E.) credit: To claim C.E. credit, participants must have registered for the Spring 2024 Meeting. Early Registration is free for students. Residents can register for the meeting for \$70 as members or \$85 +1 year membership. Registration cost is \$100 for members, \$110 for non-members. Pharmacists can register for the meeting and a 1-year membership for OCCP for \$140. Instructions to claim C.E., including post-activity evaluation and self-assessment questions will be emailed to registered participants. Completion of post-activity evaluation and a 50% passing score on self-assessment questions for each activity will be required.

Participants must visit <http://www.accp.com/ce> and enter the C.E. code provided during the program. All participants must have a valid NABP e-Profile ID and date of birth on file with ACCP, and must claim their CPE credit **within 60-days (June 29 2024)** of the live event. Statements of credit will be available on CPE Monitor approximately 2-3 business days after credit has been claimed on the ACCP website. If you have problems accessing your statement of credit please contact the National Association of Boards of Pharmacy, (847) 391-4406.
